Qualitative Research

Data Analysis

## Armster Edwards, Research Analyst

Armster Edwards is a research analyst at ECONorthwest with a background in mathematics. Before joining ECONorthwest, Armster worked as an intelligence analyst researching and drafting reports in the U.S Military.

### PRE-ECONORTHWEST

- **Intelligence Analyst—Fort Lewis, WA (2017-2019).** In the role of an intelligence analyst, Armster managed UAV assets, gathering crucial information to support the operating commander and facilitate well-informed decisions at the tactical action center (TAC) during operations.
- **Intelligence Analyst—Camp Yongsan, Seoul, South Korea (2016-2017).** As an intelligence analyst, Armster conducted research and made contributions to the preparation of reports that were subsequently shared with the Defense Intelligence Agency (DIA) in support of the Republic of Korea and the U.S. Department of Defense.
